HB 664 Georgia Judicial Retirement System; membership for certain persons employed in certain full time positions requiring admission to the State Bar of Georgia as a condition of employment; require

Bill Summary: HB 664 requires individuals hired by the Office of Legislative Counsel after July 1, 2020, to be members of Judicial Retirement System of Georgia (JRS), if they are employed full time and in good standing with the State Bar of Georgia. Employees of the Office of Legislative Counsel hired before July 1, 2020 can elect to remain members of Employees' Retirement System of Georgia (ERS) or transfer to JRS. If the member elects to transfer to JRS, ERS will transfer all employee and employer contributions, with interest to JRS. The transferred member receives credit under JRS for all service rendered if the individual pays the full actuarial cost of that service. This bill is certified by the Georgia Department of Audits and Accounts as a fiscal retirement bill. The actuarial investigation estimates the annual employer contribution rate will increase from 21.570 percent to 21.571 percent, for a total state cost of \$26,000.

HB 779 Alternative ad valorem tax; motor vehicles; revise distribution of the proceeds of such taxes among local governments

Bill Summary: House Bill 779 amends O.C.G.A. 48-5C-1, relating to alternative ad valorem taxes on motor vehicles, by modifying the distribution of proceeds to the counties, municipalities, and school districts. For motor vehicles registered in the incorporated areas of the county, the percent of proceeds going to the county governing authority is decreased from 28 to 23 percent, the percent of proceeds going to the municipal governing authority is increased from 23 to 28 percent, and the remaining 49 percent of proceeds continue to go to the county school district; however, if there is an independent school district in the municipality: 23 percent of the proceeds shall go to the county governing authority; 34 percent of the proceeds shall go to the municipal governing authority; and the remaining 43 percent of the proceeds shall go to the independent school district.

HB 846 Revenue and taxation; interest paid on refunds of overpayments of taxes and past due taxes shall be equal to the bank prime loan rate; provide

Bill Summary: House Bill 846 adds a new Code Section at 48-8-49.1, which establishes and defines the direct pay reporting program. The program allows a taxpayer to accrue and pay directly to the department the sales and use taxes owed. To qualify, a taxpayer must purchase more than \$2 million of tangible personal property per year, average purchases of tangible personal property of over \$2 million per year for the past three years, or meet a lower spending threshold prescribed by the department and be classified in one of nine industry codes.

The interest on overpayments of sales taxes by a taxpayer with a direct payment permit shall begin to accrue on the date an amended return or a refund claim is filed.

The bill also sets the interest earned on overpayment and due on underpayment of taxes at the Federal Reserve System's bank prime loan rate and allows the affected political subdivision to choose to make payments over a period of time equal to or less than the amount of time subject to the claim.

HB 987 Health; additional measures for the protection of elderly persons; provide

Bill Summary: House Bill 987 provides several new provisions for the protection of elderly persons in Georgia for personal care homes with 25 beds or more and assisted living facilities, including: requiring an initial and annual training for direct care staff; maintaining one direct care staff person for every 15 residents during waking hours and one for every 20 residents during non-waking hours; providing a 60-day notice to the Department of Community Health and residents of any bankruptcy or property eviction and a 14-day notice for any change of ownership that affects care; and providing a financial stability affidavit upon submission of application for licensure to affirm ability to operate for two years.

Additionally, assisted living facilities must maintain at least two direct care staff at all times and a registered nurse (RN) or licensed practical nurse (LPN) between eight and 40 hours per week depending on number of residents in facility.

House Bill 987 also provides a certification for memory care units that must provide the following staff: one dementia trained staff person for every 12 residents; one licensed social work or professional counselor eight hours per month; one RN, LPN, or certified medication aide at all times; at least two direct care staff at all times; at least one RN or LPN between eight and 40 hours on-site depending on number of residents; and initial and annual dementia specific training.

Additionally, this bill imposes a mandatory fine of at least \$5,000, and increases the maximum daily fine for long-term care facilities from \$1,000 to \$2,000 up to a total of \$40,000 for any violation that causes the death or serious physical injury of a resident. New provisions are effective on July 1, 2021.

HB 969 Housing; certain provisions pertaining to unlawful practices in selling or renting dwellings and the procedures, remedies, and judicial review related thereto; change

Bill Summary: HB 969 amends Article 4 of Chapter 3 of Title 8 of the Code, regarding fair housing, to meet the "substantially equivalent" threshold required for state housing laws in order to become certified by the Fair Housing Assistance Program.

The bill clarifies the purpose of preventing the administrator of the Commission on Equal Opportunity from pursuing actions for discrimination in housing if the Department of Housing and Urban Development has already initiated an investigation or action, and provides that it is not intended to prevent the dual filing of complaints on the state and federal level.

The bill removes the attorney general's discretion when determining whether to pursue an action for housing discrimination and requires the attorney general to pursue the action if elected by the involved parties, or if action is recommended by the administrator.

In the event that no election is made by the parties for the attorney general to pursue the action, the administrator shall refer the complaint to an administrative law judge instead of the board of directors of the Commission on Equal Opportunity. The administrator may review and reject or modify any finding by the administrative law judge. If no party appeals to the administrator, and the administrator takes no action, the finding becomes final after 30 days. A party may appeal the final order in the Superior Court of Fulton County within 30 days. The standard of review for the appeal is changed to be consistent with the 'Administrative Procedure Act'. Attorney's fees and court costs may not be awarded to respondents unless the respondent prevails on all alleged violations in addition to showing that the action was frivolous.

Respondents to a complaint alleging housing discrimination must serve an answer on the administrator, in addition to the complainant. The requirement that discovery in actions for housing discrimination, and the enforcement thereof, be conducted in the same manner as discovery under the 'Civil Practice Act' is removed. This bill also corrects cross-references within the Code.
